UNITED STATES BANKRUPTCY COURT
NORTHERN DISTRICT OF OHIO

In re:) Case No. 03-14117
)
JERRY D. PARKER and) Chapter 7
RAYELLEN E. PARKER,)
) Judge Arthur I. Harris
Debtors.)

ORDER DENYING APPLICATION FOR ATTORNEY FEES

Before the Court is the application of debtors' counsel for the allowance of fees for services that debtors' counsel provided in connection with the redemption of the debtors' vehicle (Docket # 9). For the following reasons, the application is denied without prejudice to filing a new application.

First, the services contemplated in the application seem to be included in the original \$400.00 fee agreement between debtors and debtors' counsel, according to paragraph 5(d) of the Disclosure of Compensation of Attorney for Debtor(s) that accompanied debtors' petition. Second, the application requests allowance of \$200.00 in fees, but the vehicle contract attached to the motion to redeem (Docket # 7) states that \$600.00 is to be allocated to debtors' counsel. The application fails to address this discrepancy. Third, the application does not provide evidence that the debtors in fact agreed to pay additional amounts for these services.

This opinion is not intended for publication

Accordingly, the application is denied without prejudice to filing a new application.

IT IS SO ORDERED.
